

On the Welcome Screen, you do NOT need to touch a box as indicated in the first picture. **Instead**, just insert and remove the gift card.

Then choose one of these options and follow the remaining instructions for entering the car wash.

On the receipt, the balance shows how many car washes remain on the card:

Car wash cards with 5 Ultimate washes sell for \$36 with \$16 profit given to organization. The card amount for the 5 car washes is then \$20. Each receipt says "Charged: \$4.00" but there is no payment while using gift card.

"Balance = 4" indicates how many car washes remain.
